...it's about YOU

Graduation is one of those giant landmarks of life, there are so many emotions involved for both student and parent alike. It's a time of saying goodbye and welcoming a new phase of life.

That's why at Diliberto Photo & Design each Senior Session is tailored to each student, their interests and their high school experiences. The Senior Photo Session is a celebration of who they are and hopefully an experience they're able to add to the memories of their senior year.

the session...

We're not going to limit the time we spend together or the number of outfits you can wear. We're not going to make you come to a studio and have all your photos look exactly like your friends'. We want this session to be about YOU. That's why every aspect from the location to clothes to props are all about who you are. Weeks before your session we'll chat over the phone so I can get to know you and we can plan your session together. Your session fee (\$145) includes the session consult, day of the shoot, 1 5x7 print, and 5 web quality images for facebook.

what to wear/bring...

What do you love? Do you play an instrument? Like to paint? Into theater or sports? Is your best friend your dog Spot? If so bring your instrument, lets paint during your shoot, lets go to a stage, bring your uniform and a football or two, heck, bring Spot! During the session consult we'll decide on a theme, location, and specific things for you to bring to your session.

As far as clothes go let the current trends to lead you. Stores like Gap, J.Crew, and Forever21 have great resources called look books where they highlight the hottest clothing for the season. You don't have to purchase your clothes from these stores but you can use them as a resource. Make notes of color combos, styles, and accessories that you like. Accessories are always awesome too so make note of scarves, hats, and jewelry you like.

Clothes you're comfortable in or that signify memories from your senior year are also important. You'll want a casual outfit and something a little more dressy, don't forget the shoes! Bring your letter man jacket, prom dress or suit and your favorite outfit.

When in doubt bring it! We may not use everything you bring but it's good to have a variety of things to choose from.

the goods...

Below are all of our seniors' and parents' favorite products. Parents be thinking before your shoot what kinds of products you'd like and let us know. If there is a wall in your home you'd like to fill with custom artwork of your senior send us a picture so we can show you what it will look like.
